

## **A LEADER IN GOD'S ARMY**

**I'm a leader in God's army  
Walking in the King's way  
I'm a leader in God's army  
Armed for the fight today.  
I'm a leader in God's army  
Following God's battle plan  
I'm marching forward by faith  
The victory is in my hands.  
I'm a leader in God's army  
I didn't volunteer to play  
We're in an eternal struggle  
I have taken my stand today.  
I'm a leader in God's army  
And will be 'til I die  
I'll fight the fight of faith  
'Til I'm safe in my home on high.  
I'm a leader in God's army**

**So come and follow me**

**At the end of the battle**
